Aurelio Peccei Lectures

INVITATION

The Brussels-EU Chapter has the pleasure inviting you to its twenty fifth Aurelio Peccei lecture, which will deal with:

“Biopolicy - Building New Values for the Millennium”

by

Dr. Agni Vlavianos-Arvanitis

President and Founder, Biopolitics International Organisation, Athens

Recipient of many distinctions (Royal Swedish Academy of Sciences 2004 Biopolicy Award, Abdi Ipekci Peace and Friendship Prize, Fellow of the World Academy of Arts and Science, Hon. Life President of the UNA of Sri Lanka, Hon. Prof. of St. Petersburg State University, Hon. Dr of Mendeleev University, Corresponding Member of the Pontifical Academy for Life, among others), Mrs. Vlavianos-Arvanitis is actively engaged in environmental cooperation and education. She authored and edited over 50 books and volumes of proceedings from international conferences and is a frequent contributor of articles to international literature.

Winning the battle against world-wide poverty requires a renaissance of values. To embark on a millennium of hope, we need to avoid the mistakes of the past and create a society that respects and promotes bios – all living beings on the planet.

Date : Wednesday, December 14, 2005 from 6:00 till 8:00 pm.

The lecture will be followed by a refreshment. After the event all participants are invited to a dinner. Participation is at own costs.

Venue: Royal Academy of Belgium. Hertogstraat, 1/ 1, rue Ducale. B-1000 Brussels
