## **Intl Environment Conference To Be Held in Sofia June 2003**

**LENGTH:** 141 words

The Second International Conference on Ecological Protection of the Planet Earth will be held in Bulgarian capital Sofia from June 5 to June 8, 2003.

The event will be organised by Sofia Technical University, the Greek Democritus University of Thrace, Greece's International Center of Research and the Greek **Biopolitics International Organisation**.

Universities from England, Germany and Brazil will also take part in the preparation of the conference, which will be held at the National Palace of Culture. Discussions will centre on renewable energy, energy saving and clean technologies, water resources and environment protection. Bulgaria's Deputy Environment Minister, Manuela Georgieva, will chair the conference. The conference is part of a series initiated with a conference in Xanthi, northern Greece, in June 2001.
