

# BIOPOLITICS INTERNATIONAL ORGANISATION HELLENIC CHAPTER OF THE CLUB OF ROME

HELLENIC CHAPTER

## *Inspiration and Innovation for Climate Change Mitigation Biopolicy & Development*

**Money Show – Hilton Athens – Terpsichore C**

**Monday, 9 January 2017, from 12:00 to 14:00**

*Climate change poses enormous challenges for humanity, sounding a strong alarm call for action. Valuable time is lost, and the ticking clock of destruction necessitates an urgent re-evaluation of development policies. The aim of this event is to address new paradigms that will help us save time and make decisive leaps forward in climate change mitigation. By taking into consideration the progress achieved in Paris and Marrakech, it is*

*essential to question our choices and to form inspired decisions based on innovation and a new vision for the protection of “bios,” all life on our planet.*
