

Biographies

Professor **Athanasios Angelopoulos** studied the ecclesiastic and political history of the Balkans and theology. His field of specialisation has been the cultural and external relations of Greece with other Balkan countries. He studied at the University of Belgrade and is presently teaching theology at the University of Thessaloniki. He has participated in numerous international conferences and has published articles concerning his research on historical archives.

Dr. **Agni Vlavianos-Arvanitis** founded the Biopolitics International Organisation (B.I.O.) in 1985, after having dedicated over 20 years to teaching and research in biology. In 1990, she launched the International University for the Bio-Environment (I.U.B.E.) and, in 1992, a campaign for Bios Prizes and cease-fire during the Olympics. A recipient of many high distinctions, she was elected, along with M. Gorbachev, N. Mandela and M. Strong, Honorary President for Life by the UNA of Sri Lanka, and is also an Abdi Ipekci Peace and Friendship Prize laureate. She is Vice President of the International Bio-Ethics Society, Member of the Journal of Cleaner Production Advisory Board, Vice President of the UNESCO-MAB Hellenic National Committee, Commissioner on the Global Commission to Fund the UN, Corresponding Member of the Pontifical Academy for Life, Member of the Board of the Euro-Arab Co-operation Centre, Member of the Board of Trustees of the Uganda National Foundation for Research and Development, Founding Member of the Balkan Academy of Sciences, New Culture and Sustainable Development, and Member of the New York Academy of Sciences, the International Academy of Ecology, Human and Nature Safety Sciences, the Hellenic Philosophical Society and the National Society of Greek Writers. Author of poetry books, she is also Honorary Professor of St. Petersburg State University for Plant Polymers and has an Honorary Doctorate from Mendeleyev University.

Mike Awua-Asamoah, Secretary-General of the UN Association of Ghana is currently with the School of Peace Studies, University of Bradford, England, researching into questions of "Peace Perspectives in Africa", a work to be published. Since early 1990, he has been directing the African Peace Research Institute in Lagos, Nigeria, and was selected by the United Nations Institute for Disarmament and Research (UNDIR) as researcher and participant in the Conference of African Peace Researchers and Institutes on African Position on Disarmament, held in Algiers in March, 1990.

Professor **Nicholas Ashford** teaches courses in regulatory law and policy at the Massachusetts Institute of Technology (M.I.T.). He is a faculty associate of both the Centre for Technology, Policy and Industrial Development in the School of Engineering and the Industrial Relations Section of the Sloan School of Management. He holds a Ph.D. in chemistry and a law degree from the University of Chicago. For several years, he had been public member and chairman of the National Advisory Committee on Occupational Safety and Health, and has also served on the EPA Science Advisory Board. Professor Ashford is a fellow of the American Association for the Advancement of Science and has also served as Vice-Chairman of the Committee on Innovation and Economics of the EPA National Advisory Council for Environmental Technology Transfer. Author of *Crisis in the Workplace: Occupational Disease and Injury*, his research interests include regulatory law and economics, the design of government policies for encouraging technological innovation and improvements in health, safety and environmental quality, labour's participation in technological change and the role of information in political processes.

The late **Constantinos Bonis**, former President of the Academy of Athens and President of the Archaeological Society of Greece, has been a Professor of Theology at the Universities of

Athens and Salonica. He has published numerous books and articles and has received high distinctions both nationally and internationally.

Professor **Gyula Bora** graduated from the Budapest University of Economics. He was a Candidate for Science in Geography, and was sponsored by the Ford Foundation for his postdoctoral fellowship at the University of Chicago. He also studied US environmental policy on a WHO fellowship. Professor Bora works in the Department of Economic Geography at the Budapest University of Economics where he has also held the position of Vice Dean of the Faculty of Commerce and Vice Rector for Scientific and International affairs. His scientific activities include regional studies, industrial plant location, consulting for regional organisation and research on environmental protection model building. He has been involved in several national and international research projects, and has been Acting President of the Hungarian UN Association and President of the Hungarian Geographic Society.

Philippe de Braeckelaer graduated from the University of Paris IV in biology of populations and organisms (vegetal physiology). Attached to general management of the Centre de Valorisation Agro-Industriel, he is responsible for the development and prospective unit specialising in the introduction of new crops and the preservation of rural social economy.

Professor **Andrew Brennan** holds degrees in philosophy from the Universities of Saint Andrews, Calgary and Oxford. He joined the Stirling Philosophical Department in 1970, and since then has been a visiting fellow in philosophy at Princeton University and visiting Professor at Calgary. He presently edits the Scots Philosophical Monograph Series and the MacMillan Studies in Contemporary Philosophy. Analysis, Nus, Enquiry, Synthese, and other philosophical and educational journals, have featured his articles. Conditions of Identity and Thinking about Nature are two of his books which were published in 1988. He was recently awarded a grant from the Carnegie Trust for research into comparative educational practice and theory in Zimbabwe.

Professor **John Carroll** is Professor of Environmental Conservation, University of New Hampshire, and chairman of the Environmental Conservation Program. He received his Ph.D. at Michigan State University in resource development (A.B., M.A., geography), and is active in many fields. A member of advisory boards in the U.S. and Canada, his activities in resource protection are worldwide, and he has published five books and numerous articles on environmental issues.

Since 1987, **Nikki Malet de Carteret** has been a freelance publicity and public relations consultant, journalist and reporter working for the BBC World Service. She received a B.A. from the University of Calgary, Canada and an M.A. from the University of Sorbonne in France. She has acted as assistant producer and researcher on many BBC television programmes and during 1986 was the international coordinator of The Million Minutes of Peace Appeal for the United Nations. She is currently the international coordinator for Global Cooperation for a Better World and developed the first peace messenger initiative dedicated to the United Nations.

Professor **Costas A. Cassios**, M.Sc., Ph.D., was educated at the University of Thessaloniki. In 1965 he received a B.Sc. in forestry from the University of Thessaloniki and in 1969 graduated from the Industrial School of Piraeus with an M.Sc. in statistics. He received an M.Sc. in landscape architecture-forestry and a Ph.D. in regional planning for outdoor creation and environment protection at the University of Wisconsin, Madison. Currently Professor of physical geography at the National Technical University of Athens (NTU) in the Department of Surveying and Rural Planning, he is also Adjunct Professor in the Department of Landscape Architecture, School of Environmental Science and Forestry, Syracuse University

of New York. He has been head of national parks for the Greek Ministry of Agriculture, was a member of the Reforestation Section FAO Program and of the Outdoor Recreation and Landscape Architecture Section for the Forest Research Institute, Ministry of Agriculture. He became an expert and chairman of the Council of the European Committee of Nature and Environmental Protection, and in charge of the planning of more than 20 parks for the forest service of Greece. He was a member-monitor for the Balkan Peninsula for IUCN and a Member of the MAB Greek National Committee. He has acted as landscape architecture consultant for projects in Libya, Saudi Arabia and Bahrain, and has published over 40 scientific publications and articles on landscape architecture and environmental planning and protection.

Professor **Tham Seong Chee** is a world expert on sociology and anthropology, with special reference to the Malay-Indonesian culture. He is currently teaching at the National University of Singapore's Department of Malay Studies, of which he was Departmental Head from 1989 to 1997. Other positions previously held include membership of the Board of Trustees at the Institute of Southeast Asian Studies from 1971 to 1974 and from 1979 to 1995, of the Board of Advisers at the Singapore National Library from 1971 to 1979, of the Board of Advisers at the Ford Foundation Regional Advisory Committee on Southeast Asian Studies from 1971 to 1983, and of the MENDAKI Social and Cultural Affairs Committee, in 1990. Furthermore, he was Vice-Chairman of the UNESCO Advisory Committee on the Study of Southeast Asian Cultures from 1981 to 1983, Vice-President of the Singapore Association for the Advancement of Science as from 1983, and President of the UN Association of Singapore from 1980 onwards. He has seen several of his articles, papers and book reviews published in international journals, and has himself been Editor of the Review of Southeast Asian Studies from 1969 to 1975, and a Member of the Regional Advisory Board at the Southeast Asian Journal of Social Change (SOJOURN) from 1985 onwards. He has published widely on the topic of the Malay and Singapore societies and has been a member of the International Board of Trustees of the Biopolitics International Organisation from 1987 to this day.

Dr. **David John Chivers** was awarded his Ph.D. in 1972 by the Department of Physical Anthropology, Sidney Sussex College, Cambridge, for his study on the ecology and behaviour of gibbons in Malaysia. Since then he has organised research on the ecology and behaviour of rain-forest primates in Malaysia, Indonesia, India, Bangladesh and Brasil, with special reference to conservation, and taught anatomy to veterinary students and primate biology to anthropology students. Since 1977 he has been a University Lecturer in Veterinary Anatomy, Department of Anatomy, University of Cambridge, and since 1989 a Fellow and Tutor of Selwyn College. He has spent a total of 50 months in the field, mostly in the countries mentioned, attended numerous conferences, and supervised the theses of 20 research students. He has published extensively on the subject of primates and is a member of many learned international societies.

Andreas Demetropoulos studied marine biology and oceanography at the University College of North Wales, and is now the director of the Department of Fisheries of the Ministry of Agriculture in Cyprus. He was vice-President and then President of the General Fisheries Council of the Mediterranean (FAO). He is the National Coordinator for the Marine Pollution Monitoring Programme (MED-POL) of the Mediterranean Action Plan for Cyprus, and since 1987 has been a member of the Commission of Ecology of IUCN. He was a founding member and the first President of the Cyprus Wildlife Society, a position he still holds. He has been elected to UNEP's Global 500 Honours List for campaigning for the protection of turtle beaches and the creation of Akamas National Park. He has published many papers and articles on fisheries, turtles, pollution, conservation and wildlife.

Professor **Jan W. Dobrowolski** is Professor in the Faculty of Mining Surveying and Environmental Engineering at the University of Mining and Metallurgy, Krakow, Poland.

After a Ph.D. in Environmental Physiology and Experimental Embryology, his career has included serving as a visiting professor in Belgium, Germany, Hungary, Greece, India, Japan, UK, and Turkey. As an invited speaker he has presented papers at many international conferences, more recently on "Our Common Future - Human Environment" (Krakow, 1991), and co-chaired the International Conference on the Training of Experts for Environmental Co-operation in Europe (Krakow, 1993). He has authored numerous articles in national and international journals, as well as five monographs, and is a member of several national and international scientific societies. He is also Tutor of the Inter-University Students' Club of Environmental Management in Poland and the Open University "Technology and the Human Environment" course, Krakow.

Professor **Richard Eells** received A.B., M.A. and LL.D. degrees from Whitman College and Princeton University and is presently Professor of Business (Emeritus) at Columbia University, and Special Advisor to the President of Columbia University; also Special Advisor to the President of the New York Botanical Garden. During his past 15 years service at Columbia University he was Director of Studies of the Modern Corporation, Adjunct Professor of Business, and Councillor to the Dean of Graduate School of Business. Previously, Manager of Public Policy Research, General Electric Company (NYC) for ten years. Field Director, Near East College Association (AUB and others). Following military service in the USAF, he was Chief of the Division of Aeronautics and Holder of the Guggenheim Chair of Aeronautics, The Library of Congress (Washington, D.C.). He has received grants from the Rockefeller Foundation and Sloan Foundation and has served as consultant to IBM, GE, Rockefeller Bros. Fund, and others. He is the author and co-author of fifteen books on corporate social policy matters and the editor of thirty-five volumes on business matters.

The Right Honourable Lord **David Ennals** was educated in the U.K. and the U.S.A. He has held ministerial posts in the Home Office, the Foreign Office, and the Ministries of Defence, Health and Social Security. During the late 1970s he was member of the British Cabinet and became a member of the House of Lords in 1983. He is presently the Chairman of the UN Association of the UK, the Ockelden Venture for refugees, the National Association for Mental Health, the Parliamentary Food and Health Forum, the Children's Medical Charity, and the Asian Committee of the British Refugee Council, and President of the College of Occupational Therapy and the National Society of Non-Smokers.

Retired Ambassador **Achilles Exarchos** has studied Law at the University of Salonica and did post-graduate studies in public administration and management at the U.S. Bureau of the Budget, as well as in economics and public finance at American University and at the University of Rome. As Ambassador, he has represented Greece in Nigeria and has served as permanent representative of Greece at the UN\FAO, WFP, and WFC in addition to being the governor for Greece for the International Monetary Fund for Agricultural Development. He has been decorated as Commander of the Greek Order of the Phoenix, as Commander of the Bulgarian Order of the Knight of Madara, as Knight of the Italian Order of Merit, and with the Cross 1st Class of the Rumanian Order of Theodore Vladimirescu.

Kumaran Fernando is Founder and Secretary General of the United Nations Association of Sri Lanka and has represented the UNA at conferences all over the world. Founder and Chairman of the Flag Research Centre of Sri Lanka, the only one of its kind in Asia and Africa, he has been a member of many professional organisations including the Audubon Society of America, and is an honorary member of the UN Associations of the UK and the USA, as well as the Sagala Trust and the VASLA Flag Society.

Mayer Gabay, Esq., is Commissioner of the Civil Service of the Government of Israel and Chairman of the Patent and Copyright Law Revision Committee. He holds a Master's degree

in Comparative Law from Columbia University, New York. Mr. Gabay was Director General of the Ministry of Justice for 11 years, President of the UN Association of Israel, a member of the council of the Israeli Bar Association and a lecturer at the Universities of Jerusalem and Tel Aviv. He has been involved in negotiations with Egypt under the Camp David Accords, has been designated as member of the World Bank pool of arbitrators, and was engaged in negotiating the Free Trade Agreement between the United States and Israel.

Dr. Gloria C. Gatchalian holds a Ph.D. in Education and is project director at the Eulogio Amang Rodriguez Institute of Science and Technology in the Philippines. A recipient of many scholarships and awards, she is member of various scientific organisations and has also been a UNESCO and IFS International Conference delegate in many countries.

Pawel Graniewski holds a Master's degree in international law from Warsaw University and has done post-graduate work at the Political Science Academy, Moscow. He is, at present, Secretary-General of the UN Association of Poland and WFUNA Youth Programme coordinator, having held many posts in international organisations since 1975. He has taken part in over 80 international conferences and has recently been involved in national housing cooperations in Poland. He has written over 30 publications on international relations and housing problems.

Professor **Elias P. Gyftopoulos** is Ford Professor of Mechanical and Nuclear Engineering at M.I.T. He is a member of the National Academy of Engineering, the American Academy of Arts and Sciences, and the American Society of Mechanical Engineers. He is vice-President of the board of trustees of Anatolia College in Salonica, Greece, Director of Thermo Electron Corporation, Thermo Instrument Systems Corporation and chairman of the board of the Mercantile Bank of Boston. He is interested in the foundations of quantum mechanics and thermodynamics and cost-effective energy utilisation.

Dr. **Josef A. Haber** teaches at the Institute of Social Sciences in the Technical University of Silesia in Poland. He received his Master's degree in Economics from the Silesian University in Katowice in 1968. He is an expert on ecological security at the Ministry of Foreign Affairs, and has presented papers on this subject at many international conferences and seminars. He has held the post of research fellow of the Institute of Socialist Countries at the Polish Academy of Sciences, was vice-President of the UN Association and has been vice-Chairman of that organisation since 1986. He has published numerous papers on ecological security and international relations.

Senator Dr. **Huberte Hanquet**, studied philosophy and religion, political and social sciences. Since 1984, she has been President of the National Council of Belgian Women and is a member of the International Sociology, Gerontology and Demographic Society. She has worked on different committees of the Parliament of Belgium with special dedication to programmes concerning the role of women in modern society, as well as the international co-operation on health and social security. She has developed an outstanding parliamentary action and has participated in numerous conferences and also published various articles on feminism, health and bio-ethics.

Jordan A. Horvath, Esq., is a practising lawyer in New York. He obtained his Master's degree in law from Harvard University, with further studies at Princeton. As a student he was greatly involved in the United Nations project, Model United Nations as a co-ordinator and WFUNA in Switzerland. He has been a contributor and editor on United Nations publications, including the Teacher's Guide to Model United Nations.

Professor **Donald Huisingsh** is currently Professor of Environmental Sciences at Erasmus University in Rotterdam. He has led and directed interdisciplinary research teams and fact-

finding task forces in his effort to implement preventative approaches to environmental quality improvement. Dedicated to the development of integrated approaches for the solution of societal problems, Professor Huisinhg has collaborated with industrialists, political leaders, academicians and students alike in coordinating educational and research mechanisms capable of accomplishing such holistic, system-wide approaches. A recipient of numerous grants and awards, he is the author of more than 90 publications, most recently on hazardous waste reduction and pollution prevention. Professor Huisinhg is currently also assisting the United Nations Environmental Office in the Development of a Global Information Network on Concepts, Policies and Technologies on Low and Non-Waste Technologies.

Edward Kamienski, an engineer architect, received his M.Sc. from the Technical University of Cracow, Poland. In 1988 he founded the Center for Building Biology and Environmental Energy Action (BIOSKALA), Cracow, where he is now Director. He has won prizes in numerous architectural competitions organised by the Polish Architecture Association, and has experience in designing abroad. He has participated in international conferences in Poland and abroad. Among his more important designs are districts for 7,000 inhabitants in the city of Cracow, a sanatorium, schools and geo-biophysical research for houses and districts.

Professor **Achilles C. Kanellopoulos**, Dean of Southeastern College, Athens, obtained his Diploma in Mining and Metallurgical Engineering from the Technical University of Athens and his Ph.D. from the University of Capetown. He has acted as Managing Director of Middle East Development Consultants and Technical Advisor in the Ministry of Public Works. He has published articles on mining, especially of quartzite.

A. Henry Karunaratne received his M.Sc. in Economics in London. A Senior Life-Member of the UN Associations, he presently chairs the Executive Committee of the UNA of Sri Lanka.

Professor Rusen Keles is Director of Environmental Studies on the Faculty of Political Science at Ankara University. He has served as President of the United Nations Association of Turkey and, in addition to providing advisory services to local government agencies, he has also been a consultant to the Council of Europe and the United Nations. Recipient of the Abdi Ipekci Prize for Peace and Friendship, he has published more than 30 books and reports and is a member of a number of national and international organisations, including B.I.O. Trustee.

Dr. **Stefan Klein** is a practicing medical doctor in Belgium. Since World War II, he has been involved in environmental affairs, such as WHO and CEC. In 1965 he became the founder and president of the Belgian Society for Protection of Life and in 1973 of the Society for Research on Civilization Diseases and on Environment in Luxembourg. He has published many papers on medicine and related subjects.

Bert Koh is a member of the board of directors of the UN Association of Singapore.

Bernard K. Kuma is the chairman and managing director of a Ghanaian textile company. He was the former special advisor and chairman of the Supreme Military Council and Head of State in Ghana. He has been a member of the Ghana National Development Commission, and is, at present, the honorary President and chairman of the board of trustees of the UN Association of Ghana and WFUNA.

Dr. **Christian Karl Leipert** graduated from the University of Hamburg in economics and law. After studying economics and sociology at the Free University of Berlin, he became a research assistant at the Faculty of Economic and Social Science of the University of Augsburg, Bavaria, later receiving his Ph.D. and Dr. Rer. Pol. in Inadequacies of the GNP as

a Welfare Measure. Since 1983 he has been a fellow of the International Institute of Environment and Society, at the Science Center, Berlin.

Professor Frederic A. Lints is Director of Studies at the European Association for Society, Science and Technology in Louvain, Belgium. He is currently President of the Association of Engineers of the Faculty of Agronomic Sciences at the Catholic University of Louvain. He has also been President of the Royal Federation of Belgian Association of Civil and Agronomic Engineering. His wide teaching experience includes the University of Wales, Rabat (Morocco) and Burundi. For his many accomplishments, Professor Lints was made an Officer of the Order of Leopold and was awarded the Joseph Schepkens prize by the Royal Academy of Belgium. In 1992, he received the Civil Medal, First Class. Since 1991 he has been a member of the editorial boards of the magazine Louvain, and the Journal of Engineering, as well as President of the Commission of Publications for the Royal Federation of Belgian Association of Civil and Agronomic Engineering.

F.T. Liu, Former Assistant Secretary General, United Nations Association.

Haris Livas, former head of the Athens News Agency Feature Service is, at present, the director of International Relations at the Ministry of National Economy in Greece. She obtained a B.A. at Syracuse University and M.Litt. from the University of Pittsburgh with Ph.D. work undertaken at the University of Munich. As Deputy Director of Doxiadis Associates she was the first woman in Greece to hold a top executive/creative position in an international company. She has been a university lecturer for 14 years and as a professional journalist has contributed to many local and international publications. She has worked in radio and television and as a professional copywriter. She is a member of many organisations and has spoken at national and international forums.

Professor **George M. Maniatis** obtained his M.D. and Med.Sci. from the University of Athens Medical School, and a Ph.D. in biochemistry from M.I.T. A former Rector of the University of Patras and visiting Professor to M.I.T., he is presently the President of the Hellenic Society for Human Genetics, and Professor and Director of Biology at the University of Patras Medical School. He is a recipient of the "Medical Foundation Fellow", and the "J.T. Hirschl Career Scientist" awards.

Dr. **Aldo Manos** is a senior official of the United Nations. He holds degrees in international law and political science from the University of Genoa. He joined the United Nations in New York in 1962 and later, in Thailand, became responsible for the United Nations regional projects for Asia and the Far East. He was on the staff of the United Nations Conference on the Human Environment in Stockholm which approved a global plan for environmental protection and recommended the creation of the United Nations Environment Programme. Dr. Manos joined the new organisation in Nairobi, Kenya, as Chief of Programme Management and later became Deputy Director of the United Nations Environment Fund. In 1980 he was appointed as the first co-ordinator of the Mediterranean Action Plan in Geneva, at the same time acting as UNEP Director for Europe.

Georges Martin is a leading expert in the area of arid zone agricultural projects in developing countries, now residing in Paris. His scientific training as an Ingenieur IAN is in agronomic engineering. He is also a consultant in international co-operation in agriculture, and has worked as director of agricultural missions and agronomic research, publishing numerous articles on the exploitation of agrarian systems. In recognition of his work, he has been appointed Chevalier de l' Ordre National du Merite. He is also a founding member of the Biopolitics International Organisation International University for the Bio-Environment (I.U.B.E.).

Professor Dr. **Andreja Miletic** graduated from the Faculty of Law, University of Belgrade, and received a Diplome d'Etudes Superieures Europeennes, Centre Europeen Universitaire, Universite de Nancy, France. He obtained a Ph.D. in Political Sciences from the Faculty of Political Sciences, Belgrade, where he now works as Professor of International Relations. He is President of the UN Association of Yugoslavia and a member of the Executive Committee of the World Federation of United Nations. He has written two books and many articles on the Theory of International Relations, United Nations, Security and Disarmament.

Professor **Evangelos A. Moutsopoulos** studied at the Universities of Athens (M.A.) and Paris (Doctorat d'Etat). He has lectured and held the post of visiting Professor and research fellow at numerous universities and research institutions in Europe and the U.S.A. A member or honorary member of numerous national and international societies, Dr. Moutsopoulos has presented papers to more than 200 international meetings on philosophy and organised several of them. He is President of the Foundation for Research and Editions of Neohellenic Philosophy, director and editor of the Corpus Philosopharum Graecorum Recentiorum, and also director and editor of the international philosophical review *Diotima*. He has written some 40 volumes and 400 articles on ontology, axiology, aesthetics, the philosophy of history and the history of philosophy.

James P. Muldoon Jr. received a B.A. from St. Louis University and an M.A. in Political Science from Miami University, Ohio. He earned a Certificate as a Specialist of European Community Operations. He joined the White House as a Correspondence Analyst, and later the American Enterprise Institution where he worked as research assistant for AEI scholar Michael Novak. He is now Assistant Field Director of the UNA-USA and responsible for the Model UN and the Youth Department.

Paul Ng is a member of the Board of Directors of the UN Association of Singapore.

Lala Nicolis studied history and archeology at the University of Athens, and continued with graduate studies at the Universities of Paris, Colorado and Michigan State. She is a founding member of International East Club of the Greek Soroptimist Union, General Secretary of the Greek Soroptimist Union (1986-88), a Coordinator of Education (1988-90), has participated in many conferences and meetings, and is involved in many projects concerning family psychology.

Dr. **Frederick So. Pada** is the President of the Technological University of the Philippines in Manila. He received his B.Sc. and M.A. degrees in the same university and his Ed.D. at Centro Escolar University. He has had many years of experience in government service in scientific, technological and educational fields. He is a member of numerous committees on local and international topics and has also won awards for his activities in the field of education. He is the author of *Vocational Education: New Directions and Imperatives*, published in 1974, and has attended conferences and seminars in the Philippines and abroad, and presented papers on educational topics.

Professor **John Papaioannou's** long and varied career has encompassed widely differing elements. As a practising musician, he has given numerous keyboard recitals in Greece and abroad, he has lectured and written on music extensively, and was co-founder at the Studio of New Music at the Athens Goethe Institute, in 1962. He is General Secretary of the Hellenic Association for Contemporary Music, and was Vice President of the Executive Council of the International Society for Contemporary Music Education in Greece. After the Second World War he was involved, with C.A. Doxiadis, in the evolution of the new science of Ekistics, to reconstruct the urban settlements damaged by war. In 1951 he became Head of the Department for the Economic Reconstruction of Greece, being responsible for all branches of economic activity involved. In 1964 he became Director of Research at the new Athens

Centre of Ekistics. Since 1975, he has acted as their adviser. He was also President at the World Society of Ekistics from 1991 to 1993.

Hilkka M. Pietila received her M.Sc. in Nutrition, from the University of Helsinki. She has been a member of the Executive Committee of WFUNA, a member of the Finnish National Commission for UNESCO, the International Foundation for Development Alternatives Council, the Association of Home Economists in Finland and is now vice-President of WFUNA. She has published articles in a great number of international conferences and for her feminist ideas and activities.

Professor **Giulio Pontecorvo** teaches Economics at the Graduate School of Business, Columbia University. He has served on the Department of State Advisory Committee on the Law of the Sea, several National Academy of Science committees and the Advisory Committee on Economics for the Food and Agricultural Organisation. Currently, Professor Pontecorvo is Director of the Center for Business and Government Studies, which includes the Center for Food Policy Studies and the Center for International Business Cycle Research, at Columbia University. He is chairman of the Senior Advisory Committee for the Program in Marine Affairs at Woods Hole Oceanographic Institution, and serves on the Executive Board of the Law of the Sea Institute, and the Advisory Committee of the Lamont-Doherty Geological Observatory. He has published widely on the economics of fisheries and marine resources.

Felicitas Richter is the Secretary General of the UN Association of Germany and has served as vice-President of WFUNA.

Hercules Roupas holds a B.A. degree in Economics and International Relations from Cornell University, an M.A. in Business Administration from Columbia University, New York, and works in Athens as a financial consultant.

Professor **Ahmet Samsunlu** studied at Hanover Technical University (B.Sc., M.Sc.) and received his doctorate there in environmental engineering. He worked at the Ege University, Izmir, until 1986 where he became Professor, Chairman of the Department of Environmental Engineering and Dean and Vice-Rector of the University. At present, he is the Chairman of the Department of Environmental Engineering at the Technical University of Istanbul. He has been Turkish representative at the European Council for Environment Group, a member of the Turkish National Research Organisation's environmental group and a Board member of the Turkish State Organisation. As a member of Parliament, he was Minister for Housing, City Planning, Resettlement and the Environment.

Dr. Liduvina R. Senora holds a Ph.D. in educational management and supervision. She is Executive Secretary of the UN Association of the Philippines, president of the National Federation of UNESCO Clubs and Associated Schools in the Philippines, and vice-president of the Asian Federation of UNESCO Clubs and Associations in Tokyo, Japan. She has published several books dealing with education and social studies and has been a member of the Executive Committee of the World Federation of UNESCO Clubs and Associations. In recognition of her efforts for the realisation of world peace, international understanding and co-operation, Dr. Senora has received many national honorary awards.

Dr. Guy Sergheraert received his Ph.D. in Pharmacology from the University of Lille, France. He has been Director-General for Quality Control and Production Director for Groupes Pharmaceutiques. Presently, he directs the Centre de Valorisation des Glucides et Produits Naturels in Amiens, France, whose aim is to enlarge the dimensions of biotechnology and to enhance greater respect of the bio-environment.

Professor Udo Simonis is a research professor in environmental policy at the Science Centre Berlin and former member of the German Advisory Council on Global Environment Change. He studied economics at the University of Mainz and the University of Freiburg, and received a Ph.D. from the University of Kiel. His previous positions include Personal Advisor to the President of Zambia, Research Fellow at the University of Tokyo, Professor of Economics at the Technical University of Berlin, Visiting Professor at the Chinese University of Hong Kong and Director of the International Institute for Environment and Society at the Science Centre Berlin. Professor Simonis is the Chairman of the Association of German Scientists and a member of the Advisory Committee of the Development and Peace Foundation.

Peter Stavroulakis obtained a Ph.D. in Electrical Engineering from New York University. He has worked at Bell Laboratories on new telecommunications services. He spent three years at Oakland University and two years at the University of Athens. He has been managing director of ATT International (Greece) Ltd., and is presently marketing the entire NYNEX product/services portfolio in Europe. He serves on the Board of Editors of the Journal of the Society for Machine Intelligence. He has prepared and edited two special issues in the Benchmark Book series and co-edited a special issue of the Journal of the Franklin Institute. His publications include a book on satellite intersystem interference and numerous technical papers and journals.

Professor **Charles Susanne** is Professor of Human Genetics and Dean of the Faculty of Sciences at the Free University, Brussels. He is President of the European Association of Faculties of Sciences, Director of the Erasmus and Tempus Programme Biology, President of the European Association of Human Ecology, Secretary General of the European Anthropological Association, Director of the Centre of Bioethics (VUB), Member of the Belgian Academy of Overseas Sciences and associate editor of the American Journal of Human Biology and the International Journal of Anthropology. He is also a member of numerous international learned societies and has been involved as referee and editor in the publication of many newsletters and journals on human evolution, anthropology and human biology. He has organised congresses and colloquia, presented papers and participated in conferences all over the world.

Dr. **Erich Taubert** studied biology, pedagogics and psychology at the Universities of Vienna, Jena and Leipzig. He is currently a Professor of Physiology and Health Education at the Teachers Training College at Erfurt, an active member of the UNA, and a leading member of the National Health Education Committee.

Dr. **Robert T. Taylor** is the British Council representative in Greece. He holds a B.A., M.A. and D.Phil. from Oxford University. He has been a research associate and Fulbright Scholar at the University of Michigan, and ICI Research Fellow at the University of Liverpool. He has travelled to India, Spain and Mexico as the British Council representative, has contributed to Chambers Encyclopaedia and has published many papers in scientific journals.

Alexis Theodossiadis studied Architecture and Planning at the Politecnico di Milano, Italy, and later became assistant lecturer in Architecture at the Faculty of Civil Engineering. He is currently vice-President of the Association for the Protection of the Cyprus Environment. He was appointed by the Environment Office of the European Economic Committee to chair the working sessions of the International Conference for the Protection of the Mediterranean Sea and is also a founding member and Secretary of the Association for the Protection of Old Nicosia.
