

Innovative Practices in Biotourism Prespa & Korca Greece–Albania IPA Cross-Border Programme 2007-2013

Free e-learning courses in three languages

The European programme on “Innovative Practices in Biotourism – Prespa & Korca” is offering 3 e-learning courses in 3 different languages (English, Greek and Albanian) completely free of charge.

The courses are aimed at students, professionals and entrepreneurs seeking opportunities in tourism which support the environment and culture and provide new choices for economic growth. Each course is approximately one month in duration, and a Certificate of Completion will be issued to participants who successfully complete the coursework. Courses are tailored to suit a flexible study pace and provide information, self-test material and examples from the Prespa–Korca cross-border region. Themes and timetables are shown below.

Course 1: Green Salary – Reversing Unemployment by Protecting the Environment

Course begins September 16, 2013 – Course ends October 13, 2013

Course 2: Bio-Tourism – Rural Capacity Building and Development

Course begins October 14, 2013 – Course ends November 10, 2013

Course 3: Sustainable Agriculture for Rural and Regional Growth

Course begins November 11, 2013 – Course ends December 8, 2013
