

## SUPPORTERS OF THE B.I.O. ENVIRONMENTAL OLYMPICS CAMPAIGN

Since 1992, B.I.O. has launched an international campaign for the *enrichment of the Olympics with new biocentric values*. In order to promote the bio-assessment of technology and the bio-culture in the new millennium, B.I.O. has proposed the creation of international committees in every field of human endeavor, assigned with the responsibility to assess the progress of humanity every four years during *Environmental Olympics*. Bios Prizes will be awarded to individuals who *"have contributed to the preservation and better understanding of the environment."*
