

BIOPOLITICS INTERNATIONAL ORGANISATION

The **Biopolitics International Organisation (B.I.O.)**, in the context of the **Erasmus+ European Programme**, is implementing **Alphabetization Courses for Roma Illiterate Adults** in cooperation with **Ellan Passe** (the Confederation of Greek Roma). This is the **Test Phase** of the **project RomABC – the next dimension!** project number: **2017-1-DE02-KA204-004217**. The Roma community of the area of Patima in Halandri participates in courses held at the **8th High-School of Halandri**. The courses include **24 seminars totaling 96 training units**, and cover the following learning subjects: **Reading and Writing, Numeracy, Basic IT Bkills and Capability in Everyday Life**. The courses take place from **14.03.2019 to 21.05.2019**.
